Jeffrey,

It was fun that you should mention the Butler school in the Netherlands. Our Butler Instructor, Richmond Schmidt is educated there:

He is one of the most skilled service professionals I've met. He is currently designing the curriculum for our Butler Program to be on par with the academy in Holland. I hope to have the curriculum ready to show you on Friday.

- Graduated with distinction from the International Butler Academy in Holland
- 1st Level Protocol officer from the Protocol School in Washington DC
- * Recognized and awarded the DEMA Certificate of National Top Estate Manager at the Los Angeles Convention 2012
- * The International Guild of Professional Butlers, Executive Member
- * The International Institute of Modern Butlers, Executive Member
