The California person - actually it's great she lives on the west coast 3000=miles away I invested in - what started off to be one horse - has grown into a expensiv= hobby - but keep her from breaking my balls - except for the excessive pho=e calls - consistently listening to crap about horses - I can't stand the c=lls - as short as they are - they are still a pain Any ideas on how to get out of the call loop or suck it up as its part of th= trap I'm in ?
Call after u have some ideas - when your free
