This is why we fly Gulfstream,.

Since ST Thomas is a hard to reach location via airlines, and I told Gulfstream I had to get aircraft in service Thursday night if possible,

Gulfstream is sending their G150 Parts aircraft from Savannah to deliver the mechanics with parts.

NO CHARGE for the use of their Private Jet Mechanic delivery aircraft, it's utilized in hard to get locations and when it is available.

They will drop the mechanics off 5pm today and then they will return via the airlines that we paid for.
