Hello Richard,

I'm trying to fine the right size boost pump so I can give a proper quote. I'll have something for you soon.

Regards,

Good afternoon, Everyone,

The water maker is assembled and in the testing period. It will be shipping out on Thursday and arriving by plane directly to us, so we should be able to pick it up on Monday. Once we have it in our possession, I will notify you all to schedule installation.

Kind regards,
