Yes, this is my stuff. I understand your anger. But Jeffrey, I have nothing broken, do not spoil in your apartment. I just don't organized all the things as empty boxes purchased recently. Even to move from 10n to 11b, I used only 1 carton. I told you I was going to take to the store the empty boxes to add all the things, . Organize things in an apartment on the shelves, I saw no point and time. You know, I almost never go in the apartment. sometimes even at night, when I with you. I'm constantly on the outside and come into the apartment only to change clothes or take a shower. There was no time even to eat. I was going to come home from school and all packed boxes to prepare for the move. And when I received a message that must come into the apartment, I asked to wait for me at school, so I removed it all. But they said: "sorry, but we must do it right now." When Jane's is phoned I said that there are very dirty and I'm going to move all at once how come, if they could wait for half an hour. But Jane said, "Do not worry, I'll care about it - I can see she is taken care of (to show you). I just now get home and pack my things right now. Because I had no where to put it all. You know how "often" I'm home. And I could not yesterday give it time because you have again started to blame me that I was not doing what I say (doctors, photo of Kira, the search for an apartment, work). Please do not be angry. This is just my stuff that was not enough empty boxes and my time and attention, which I tried to give more to you. You know that 10n when I lived I never had the disorder. Please do not be mad because I did not isporita not broke and not broke. I'm sorry, I am finally pack my box right now.
