Jeffrey,

I guess Arran is extremely nervous he just came in =ere accusing me of trying to get him fired. I have been doing a lot of snooping =round all over LSJ and asking a lot of questions and talking to a lot of people so = think he may have gotten wind of what I'm doing. I'm sure that =rice will not be too happy about this since he is always protecting Arran from any =ind of harm or disciplinary action.

Thank you

<=p>
