The Scope of Work for the Cottage is as follows

Remove 3 sliding exterior doors, new flashing, install new doors

Demo bedroom addition, and restore to previous screened in Deck

This includes new railing and decking for tile

Demo front Decking, install decking for Tile install

Frame, Flash, Roof, and install front addition

Sheet Rock=living room/kitchen and new addition

Remove original Saltillo Tile, and install 2500 Sqft of New Tile

Install new Kitchen cabinets and fit new Appliances

Work to be performed In House

Assist in delivery of Material and cleanup

Paint, small plumbing and electrical

I have approached David to do the work, he was involved in the last basic renovation of the cottage and knows the structure well

He has proposed the following

David and a Helper 8 weeks, 6 day weeks, 7am to 4pm

Labor cost \$20672.00

Start work 19th Dec

Do we have your approval to proceed.
