Hi Rich,

I just spoke with Gagosian Gallery. They've confirmed with the Giacometti Foundation that the Foundation is fine with receiving the work later in the day tomorrow. The potential buyer is traveling starting this Sunday through the end of December, so tomorrow is apparently the only day that he will be in Paris and could see the work before January. The purchase price Barry Gagosian has discussed with the buyer is \$27.5 million.

Best,

Heather
