Dear Jeffrey

[REDACTED] has something cal=ed PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associa=ed with Streptococcal Infections)which resulted lowering her imm=nity which caused her to have frequent fevers as well as inflammations in h=r body including the brain which impaired her speech ability but thank god i='s treatable we have to put her on antibiotics and give <=span>&nb=p;intravenously it takes 5 to 6 hours=as you see in this picture we need to repeat this every 2 months four times=but it can be done in London also.

Thank god we took h=r to the US fMedical treatment and diagnose is so much advanced . We a=e very grateful for your advise and help I look forward to see you we are h=re till 25 th

Yours
Sultan
