Subject: Mara idea

What if created a cool tech startup (docs online Africa and/or started the b=zz and early groundwork for a remittance thing) and SOLD IT to Mara and the= went as an acqui-hire

For the docs thing would you invest to help get me started? Maybe boris woul=?

I can easily do this in spare time with two ppl (both young awesome tech sav=y girls) in spare time over next few months and then move over to Mara and u=e their infrastructure. They have some development teams in India and Niger=a.

What do you think?=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN"
