Jeffrey

Based on your direction we wish to confirm our schedule

08 Dec - Denver to DC

13 Dec - ZDC to SFO with [REDACTED] Mother

At present we have tickets booked to NYC - Red Eye at night, shall we still proceed with this or head back to ZDC?
=br>

2 Jan - We have purchased tickets STT - SJU - SFO =br> We will need Jermaine to copy all the files on the Work Station
(accounts/history/everything for ZDC-LSJ-GSJ) at the Beach Office onto an External Hard Drive & have it sent FedEx to
ZDC

=div>We will need to grey case from the Beach Office, can this come on the plane with you & then sent FedEx Ground to
ZDC? Case holds our personal Desk Top, Laptop & Info

Please advise
Brice
