ok, except I hope they can rely on you to give them guidance privately after the fact.? Karim Wade.&nbsp; is the son of the president of Senegal. ( they just found GAS offshore ). He is well educated and one of the most important figures in west africa. however full disclosure = , he was put in jail to remove him from running against the current president . He is in qatar awaiting his political return to power which is almost guaranteed. He is the most charismatic ,and rational of all the africans and has their respect.

Who is the guy you have set me up with?

Spend zero effort on anything about me w trump. Seeing his approach to conflict of interest= his Putin proximity, and his mindless response on Castro death I'm best of a million miles away.

Until they are deeply humbled by the fuckups that are sure to come, I serve myself and country best by doing nothing that involves loyalty to them.
