Igor, [REDACTED] said that you told her you had a busy day . You never said anything to me , though we drove together for hours the night before. I emailed you first at 1230 in the afternoon, no response until 719. you are being paid to work when i am in florida , I have not been there for a month and was only there three days.. My trip was pre-planned, unless your doctor was an emergency, which as it was scheduled seems unlikely, i would like to understand how this happens,, I had to go to meetings without you , when the ONLY responsibility is to accompany me. Please explain,, You have been a loyal friend I am very very upset.
