Ok, I was going to ask you if I could reach out to Dennis and work him,. I'll check on price, but gut tells me Dennis will say its the contract that bothers him also. Its the "outs" that were inserted, Dennis thinks we'll walk in the middle of the deal if we see another GIV,.

When I spoke to Dennis the last time last week, he mention that he would like to take me to lunch and reminisce on several mutual friends we have that date back 30 years ago during my Learjets days.

I'll contact Dennis late tomorrow and request best price and 1030exchange.

Thx
Larry
