Subject: Re: RE:

We have fixed the hardware

I started the sanding of the little holes and that is not going to work. We need to review that with the painter and consider filling the holes the same way he will fill the cracks

When do you want the painter to come when you are here?

I'll send you escutcheons that I found
We should put the finish material on first Sent from my iPhone

Do you have anything on this? Has this been completed?

Thank you
