Hi Jeffrey,

I'm trying to commit to plans for next year and figure out what will be=the best way for me to continue to learn, build experience, and find innov=ative angles for cryptocurrency tech.

I'm currently in Israel with spotty wifi but I wanted to reach out before the=new year to start a discussion. To be direct (and send a message before wi=i cuts out), I was wondering if you would be interested in financing my co=tinued research in this space, or if there are any projects you'd want=to push forward that I might play a roll in. I'd also love to learn mo=e from you about how financial markets really work and build some of =y own "exploits" at some point. If you think this could be fruit=ul, it'd be great to find a time to hop on a call and try to iron out =etails.

Happy holidays,

Jeremy =/div>
