Subject: Dogs for Zorro

Jeffrey,

Here are a few photos of the Scottish Deerhounds I'd like to recommend for Zorro. They do well in that kind of environment and great dogs to have running along ATV's for exercise.

Plus, they will keep deer away from the main house. They are 110 lbs giants

Puppies are \$1000 to \$2000 a head. Colors are grey/grey – grey/black =r brindle/grey.
