Subject: 6th floor report based on what i saw today

I resolved the internet issue coming from the airport so ethernet feeds are working to the devices so apple tv integra and blue ray are connected projector was mounted (hdmi ran MAJOR PLUS FROM NICK) and sound was in the process of being tuned when I returned to hbrk, new sunfire installed

Rich K was given the task to order the lens you sent me this am

I just put in a call to find out any other updates available for you to both nick and rich

I configured the apple tv and tested streaming an episode of 24 I also saw the shades go all the way down

the picture looked much better than the old sony but there is some white space to the left and right but it was a letter box picture in higher def.

I also rewired the telephone on 2 to the other side of the couch as you requested

I also think the sub and 2 rear channel speaker are working on you logi-tech system ON 2

we may need to review the settings to find your exact balance pref

if I hear from nick or nick I will let you know straight away

where would you like me to start friday workday sir? and what time ?

thank you

scott
