When I told Eric that the 100% silk navy blue carpet would be with him in the morning he sent email below saying he had a discussion with you about a dark blue wool carpet that Larry is sending him a sample of. Just want you to know so that if you speak to Eric regarding either you can be specific about it being wool or silk.

As discussed, Jeffrey and I have discussed the W037 Twilight, Dark Blue, 100% wool, thick, cut pile carpet.

Larry is sending me the sample overnight that he had in the aircraft.

Can you please email me a photo of the front and a photo of the back of the carpet from your i-Phone?

WE MUST BE 100% SURE THAT WE ARE ON THE SAME PAGE SO THAT I CAN PROVIDE JEFFREY WITH A QUOTE AND AVAILABILITY.
