Hi Kristin,

I forwarded your email to the client. But again, should we rather refer to the dimensions written as oppose to the pictures, since the dimensions should be the same I have sent you?

Thanks,  
Karyna.

Hi Karyna,

I at least have these two updated! Do you want to have your clients look at those and get back to you?

I will send the LSJ one as soon as I have it.

Thanks!

Hi Kristin,

We used one of the pants you sent to put the logo= as the client wants. Please see the attached pictures with the design and m=asurements. Keep the colors as they were: black for LSJ, white for ZORRO, r=d for JE.

The locati=n for ZORRO is the same as for LSJ, also vertically. Please let me know if y=u have any questions.

Thank you!
