Ok-agree with you and tom; if we're claiming non-apportioned depreciation I want clear, cogent back-up.

Brad:

Reviewing the return will take some time and John will also want to look at. I have spent some time looking at depreciation and have asked Stewart and Rick to confirm provide backup for the initial advice that the plane depreciation could be at accelerated rate and not be apportioned for personal use. I told Tom of the preliminary advice and he likely will be claiming full depreciation. He wanted support for the position.
