i spoke with Rosita who was our previous contact at this company i told her we wanted to pay 5000 for 9750 quote i also pointed out to her that we will have 280 shipping cost (see below) and that she bid us 500 on 45 gallon ougainvillea 1.5 years ago

she said best they could do is to take off 10% or 975 for total revised cost of 8775 plants + 4280 shipping = 13,055 chris is standing by to tag if you approve please advise thank you

Per Chris:

1. The 13 bougainvilleas pictured =ould all fit in the 20' container. Depending on size (25 gallon - =0 gallon) about 12-14.

2. These bougainvilleas are at Bougainvillea.com - he spoke with "2 women and 1 guy" - =oes not know names, but one of the women was older - I would guess =osita.

3. =If Tropical delivers the 20' reefer to the nursery, the nursery will do =he loading.
