Jeffrey,  
Billy Bolhke offered his MU2 for \$2,265 round trip., STT-SJU Twin Turbine engine. I should have quote from Hancock with possible Cessna 402, however it's not his plane, it's another company that owns the 402., Hancock's pilot is on vacation that flies the Navaho and only offered a Piper Aztec with NO airconditioning.,

Do you want me to book MU2 with Billy Bolhke? Safe aircraft and Billy would be your pilot .,
