Good evening Jeffrey,

I saw most of these photos as these appear to have been the ones used in all of the media publicity on the web.

Do you have / can you get any additional photos - specifically those that may relate to ideas for your Gulfstream?

Time is of the essence as you are aware.

I still need to get you finalized numbers, but we need to lock in the work scope and details so that I may do so.

I would like to get you / Richard a final contract and then receive a deposit. I am not terribly concerned as you and I have a long history, but we will need to get this done sooner rather than later.

Have a good night.
