Our desk is in Miami and will be on the shipment to St Thomas that sails from Miami on the 24th and arrives in St Thomas on the 27th.

It had arrived in Miami on the 17th but was held by customs for inspection. (Apparently they randomly choose containers that they hold for inspection) It has been released and will sail on the 24th.

Our contact person at Express Consolidation Systems (the shipper) is Suleika [REDACTED] <[REDACTED]> . She will let me know when the container gets to St Thomas.
