If you do not have one of these browsers, you must first update your browser

<http://features.mail.yahoo.com#browser> (it's fast and free), and then return to this email and click the Upgrade Now button.

If you don't upgrade now, we recommend that you upgrade soon. Your current version of Yahoo! Mail will be available for the next few months, but eventually you will need to upgrade to the newest version of Yahoo! Mail, or review Yahoo! Mail Help <http://help.yahoo.com/l/us/yahoo/mail/ymail/basics/migration.html> for other options.

Thank you for being a loyal Yahoo! Mail user.

We hope you enjoy the newest version of Yahoo! Mail.
