Tim Oden square off design with fence to th= east and existing lavender beds to north.

The distance from Existing Lavender beds to the NW c=rner is now 21.73' (previously 15.2')  
The North East corner will drop south =A04'

<=div>

The distance from the Fence to the outside of Western planter beds will be 6' parallel=C2

The design will not fit on existing platform with only minor fill at the North East corner.</=iv>

Are you OK with these adjustments
