Hello Mr. Epstein,

We just wanted to let you know that one of our horses, Thunder, (black=quarter horse) passed away this morning after battling what seems to be a =wisted intestine for the past 36 hours. We are very saddened as he was o=e of our key riding horses. We did everything possible to help him and nev=r left his side. Will wait for direction from you if you would like him re=laced.

On another note, we will have our proposal in to you no later than Tue=day evening. Please let us know when you would like to speak again afte= you see it.

Thank you,

Wendy & Mano
