Hi Michael,<=span>

So sorry that I missed W=F meeting last week. It would be fun to hang out.</=>

Glad that you met [REDACTED], a very close friend and our new YGL. I knew that you two would click well.

Terrific that [REDACTED] also made an introduction to Jeffrey. We should meet sometime soon (I think you will be spending significant time in NYC).

You might want to think about organizing a session on Innovative Financing mechanisms in Davos 2012.

This is something we have been thinking a lot. And as you know Bill is preparing a report for G20 meeting later in year.

Let's talk soon in more details,

Again – sorry that I missed last week!

All the best

Boris

Subject: Introduction

Hello to the three of you.

Michael is a YGL and I spent some time with him in Ca=e Town and London – transitioning from Barclay to WEF very soon.

I am constructing my very own Venn diagram between yo= guys....I think the overlap space has potential.

There is perhaps quite a lot for you to discuss relat=ve to the ideas around innovative finance and Lord knows, probably math and=physics too.

Not sure of everyone’s travel plans but I rec=ll that Michael may be in NYC next week.

I’ve mentioned this introduction to each of y=ur separately but figured that a formal linkage was the best next step.
