**Subject:** Re:

[REDACTED] just said that I was so stupid for driving since I don't have to. He said that California was the worst accident driving in America. He said it was famous for it. I told him that I wasn't promising because I am driving today. He said he can't support record-breaking stupidity. Isn't he nice and supportive? Exactly what everywoman wants in a husband. He said that kind of stupidity is scary.
