Subject: huge snow storm coming to moscow tomorrow, till march 17...

will probably reschedule the agencies, will see how bad it is in the mornin=.

so far - the only good agency (avant) didnt want to meet and talk= the ones that got interested looked pretty bad to me.

fiana=ly [REDACTED] responded, will talk to her today about her friend. and [REDACTED] from NY will be in moscow for the fashion week - i can meet h=r friends here...

the agencies to which [REDACTED] referred as the best - look pretty bad.=A0 I could ask my other friend to arrange meeting with modus vivendi and p=esident (both in her list) (like i did 2 years ago), but they had super ug=y girls then and according to the website nothing has changed.
