I'm waiting for the new friend to come from Miami, hopefully she'll be able to meet before you leave. And I'm working on a few, just taking time.. In general I saw so many girls these 2 weeks, but only very few are good enough..

Jeffrey, I'm in touch with a girl from Novosibirsk whom you met a while ago, she said she can help me to organize a perfect trip to Novosibirsk for you spring or summer, I think it can be great, she should be sending me pictures soon..

I got it about [REDACTED] still think she's good, but if you don't think so I totally understand, just trying to help [REDACTED] to get out from this hostel place..

I just interviewed [REDACTED] for the TV show.. :)

Hi Jeffrey! [REDACTED] asked to say sorry that she left like that today, she is just very depressed because of the conditions she's living in, the hostel is obviously terrible and they spend all money to pay for it... We found a reliable Russian company that helps with apartments for short-term, and they don't ask for credit history or social security, I want to go to their office together with girls to find out more..
