Jeff

It is nice to make your acquaintance. Thanks so much for the gracious offer. Fortunately I was able to obtain high speed access here on St John and view Boris' images, and so it won't be necessary to trouble your staff with making arrangements for us to visit. As it turns out, this being our last day on the island it would have presented some logistical challenges in any event.

Boris is lucky to have such loyal and caring friends, it makes life much easier when confronted with the inevitable challenges we all face from time to time.

sincerely

Mark
