I can check on fees since December. I think the three new proposals were about \$45 for the main residence area (living room and pool options), \$30K for the guest cottages (which we were supposed to start, but were then put on hold), \$25K for the Spa (which we did start, and then put on the back-burner), and \$15K for the Flagpole Pool. We've been paid ½ on each of those.

? I thought the amount was less than that to date. But we have been working with you for a few years now, and that includes taking the original scheme up to issuing for plan check, with a full team of consultants, along with numerous new studies, and added buildings (Spa, Guest Cottages, Flagpole pool...).
