I understand that you want to do better for me, but you should understand what is better firstly. Its like feeding someone who like oranges very much but have a severe allergy on them. I appreciate your help very much, you taught and showed me a lot. But you can't change me.

Excuse me for being not happy as you used to see those babydolls, excuse me for not answering your emails on time because "[REDACTED] very busy", and for being looking "like a shit" when I came to you, etc... Yes [REDACTED] young but [REDACTED] not that stupid Jeffrey, and I know what do usually mean and usually doesn't. I know what you expect from me Jeffrey but I will not say that, not for me. Sometimes its better say "darling [REDACTED] beautiful bitch who comes to your house and and you like me, everybody likes me and I love myself and you also. I am in troubles darling transfer me money sweetheart you can't say no you are a gentleman"!?

Yes? Successful yes? Yes. I see it everyday and how it works, and I had a lot of opportunities to say that by myself to a lot of people, believe me. Of course they also tell "you babygirl are going to go with me at my place I will fuck you twice you will suck my cock and I will have your ass three times" ! Gosh how good it works. All right, Jeffrey. You have a lot of them. Go ahead. Know that I was that one who never did something for you when she didn't want to. And never expecting something back, believe me if I had an opportunity I would never take money from you when [REDACTED] going home. Sorry, [REDACTED] not used to this world. [REDACTED] not your daughter for you to deal with my problems, and this is all my fault I chose it myself, me was not working, me was taking money from friends and enemies just because no choice was seen at that moment. But it will be seen, I believe. Can't see the reason to delay my ticket, it should be better to bring it back. Can't see the reason to meet me the second day. [REDACTED] not a toy Jeffrey, thank you ...
