I don't want to give up my studies for any reason. I want a degree and will have good grades. Just as my driving license, I failed it the first time and then got it at my second try. I don't want to give up. What is Quincy Massachusetts? Which date? In my [REDACTED] bank account I do still have money but it's the money I'm trying to save, I don't want to waste everything and arrive at the point of having zero. I'm still in Rome and will be back in Paris tomorrow. My classes begin on Monday. Hope you are well.

what is the weather like in Paris. . . you have money, ??\$. I'm not sure why your stories are so inaccurate. / what is Quincy Massachusetts? on the bank statement? what are your plans re school. though you wanted a degree, having bad grades makes it worse than none at all, . . . employers look and say this person refuses to work no more no less. I always keep my promises. you have yet to keep any. . . I'm not sure what to do about it.
