Jasmine is a great idea, we have some, but may need to get a bit more.
We began leaning and preparing that area to be landscaping
The FishTail Palms are all moved!!!
They are acclimating nicely to their new homes and I am confident they will be back to their Natural state within the next
0-90days after recovering from the shock induced from the salt spray.

The Canary Date Palms are still in their temporary holding area on top of the hill.
