Dear Carlyn

It was very good to see you on Thursday and thank you again for thinking of us in relation to this possible matter. I have reflected further on all of the facts you provided to me and I am still sure that this is one that my partner in Geneva, Michael Wells-Greco would be best placed to deal with given his particular expertise in cross-border succession planning and conflict of laws within Europe on which he also lectures at Maastricht University. I will fill him in on the background and then hopefully he can liaise with you / your financial adviser contact further.

Michael's full contact details are:
