Hi Jeffrey,

We detected a login attempt with valid password to your Yahoo! account (jeeproject) from an unrecognized device on
Sat, Jun 22, 2013 6:35 AM AST.

Location: US Virgin Islands (IP=12.35.148.234)

Note: The location is based on information from your Internet service or wireless carrier provider.

Was this you? If so, you can disregard the rest of this email.

If this wasn't you, please follow the links below to protect your Yahoo! account information from potential future
account compromise:
