Good Afternoon,
Darren asked for me to rely this to you ASAP

Kerrie Holmes Eubank (painter on LSJ) was approached by a women at=the Red Hook Marine after getting off the boat this afternoon - please n=te she was the only female on board any of the boats. She informed Kerri= that she was a reporter trying to get information on Jeffery Epstein. S=e mentioned Mills & Kathy, Ms Maxwell, Prince William saying she requi=ed information and that she was going back at least 10 years. She=said she had spoken to a number of people and if Kerrie knew anyone with i=formation she good provide big money.

She followed Kerrie from the Marine over to the other side of Red =ook Main Street, continuing to ask questions

Kerrie informed her that she was working in construction and only =een on the Island just over 6 months - this being correct. She gave no det=ils on any level

Kerrie described her as small and pretty with long black hair and =trong British accent, she did not give her name but showed Kerrie ID which=may or may not have been a Press card

We have contacted the LSJ managers giving her description and to l=et us know if anyone sees her to call
Please advise

Thanks

Warmest regards
