Jeffrey,

I have a request from Brice to purchase a roller iron for bed sheets.

I have shopped this and the best price is from a company in Puerto Rico. The unit cost is \$ 13,700 and shipping and installation is estimated at \$ 1,300 which brings the total cost to about \$ 15,000.

Per Brice this will reduce the usage of the dryers and won't need to be ironed by hand. There is a similar unit at Zorro I'm told.

Do we have approval to proceed

Thank you
