Hello, Lesley.

Sorry not to have gotten back to you before now but I wanted to have the chance to run this by Eduardo first. Have now spoken with him so what I think we will do is to get someone from Maserati USA to give you guys a call in the first instance, and then we can take things forward from here.

Please give me the contact details that Mr. Epstein/you would like to be contacted on.

Thanks in advance and look forward to hearing from you.

Kind regards,  
Karen
