hi jeffrey,

i've meet rich at the house on 71st st ye=terday, and he showed me the rooms need plastering and paint.
=3B i've talked to a friend of mine..he does this kind of things..he is rom=nian but american citizen, he is like my age, he studied engineering i= romania but here he does painting and other construction things, he is =odest and nice..i trust him.., so he is going to meet rich on 71st st an= start working thursday morning.

.....
&nb=p; tomorow i'll fly to the island, and i was wondering if you want me =o bring again that french guy to finish venetian plaster in those two smal= rooms in master bedroom building, and then i could work on the painting=in the office, or maybe i can do the venetian plaster...it would take li=e 3 maybe 4 days..

.....
&=bsp;one more thing..i've talked to rich kahn yesterday about my friends =nvoices, and he told me they are on hold because of the traveling day is=ue. sorry maybe i was not clear when i told you about paying..i dont want =o do a favor for anybody but all the time when we had to work somewhere far=and traveling tooks many hours then the traveling time was paid like worki=g. i dont knpow in other working fields but in high end finishes f=eld, people are working for projects as freelancers not like fulltime an= they get paid for the traveling when it is a long travel..its like you lo=e a day anyway, if you want to pay the traveling day its fi=e, if not its nothing to do... anyway, i think they did a good job

=br> thank you,
