Hi Jeffrey,

</=iv>

I was about to write you for suggestion.

So the personal assistant of Peggy wrote me that I can start working not this week but the week starting from the 14 Monday, Thursday and Friday. She said next week because Peggy will be in LA but I would like to ask her if I can start this week anyways. And Patricia the casting director never replied to me so I don't know if I should write her again or maybe call her. I understand she is very busy so I don't know what to do. I don't want to bother her. What do you think?

I was also thinking that since I am not very busy I could do the headshot and showreel.
