The 21,753 shares of JP Morgan shares that you purchased (thru Ted Serure) on 9/17/10 will settle in your account tomorrow on 9/22/10.

I will transfer those shares along with \$380,765 (dividend paid on JPM and Bear Stearns stock during the period of the stock loan) to the FTC account managed by Ted Serure.

George Delson agrees with this transfer.
