This is what I received as of this morning.

Will follow up with you as soon as I hear back from her with any more info

Please forward this information on to Richard Khan, as he also has been trying to get in touch with me, I received an email from my receptionist yesterday afternoon while I was in a meeting and I've been off site this morning, and now heading to another meeting. If you can update him, I would be forever grateful!

Thank you for your patience,

Kristina
