Hello [REDACTED],

May 15, 2013

Dear Jeffery,

The arts, and ballet in particular are important for a community the size of Palm Beach County. Our community needs a professional ballet company; young dancers need excellent training and amazing performance opportunities; our community needs outreach programs that bring the arts to the young and old who cannot afford the cost of a theatre ticket; and local professional dancers need a home to give what they have been trained and gifted to do! Ballet Palm Beach is the organization doing all of those things and your support will allow the professional ballet company and school to continue to bring the art of dance to Palm Beach County.

&nb=p;

Ballet Palm Beach is a nonprofit 501(c)(3) organization dedicated to preserving the art of classical ballet. From your support benefits to our community are far reaching. Supporters enable Ballet Palm Beach to continue...

- * To educate young dancers through our scholarship fund
- * To enlighten school children through our program, Ballet by the Book
- * To provide free and reduced price tickets for disadvantaged families through Ballet in the Balcony

By supporting Florida Classical Ballet Theatre your company will connect to local audiences in a meaningful way. Supporting our county's only professional ballet company is an investment in the cultural life of Palm Beach County. We recognize that there are many other nonprofit organizations that are vying for your attention and money and we are grateful for your financial support. We cannot emphasize enough how pivotal our Donors' contributions are to meet the annual challenge of raising the funds needed to keep our performances and outreach going!

Best Wishes,

Colleen Smith

Artistic Director
