We have 2 towel rods, same as the ones in your master bath.  
I will need to buy robe hooks. Do you want the same ones as in the master?  
I bought some plastic drinking glasses and some melamine dishes which were on one of those home sites with daily deals. They were quite inexpensive, and fun I think... photos below of designs. They are on island now. I also just found a great company with wood, bamboo and horn dishes which I think look quite nice; I have requested a price sheet.

Speedopool/pace clock for outside is on island.  
will need to buy pool thermometer.  
can print whatever photos you like for toilet; any theme in particular? travel photos, etc?
