I don't understand why you react like =his... I don't think I said something wrong to you and if I did I'= really sorry. I'm very happy and enthousiastic about going to [REDACTED]. Thank you. However, yesterday I had fever and still now=l'm not feeling well. I know you don't like complaints and you alw=ys would like to hear me saying that I'm great all the time but I'= not from LA. Sorry, I would love to be always "positive thinking&quo="; but I am not this kind of person. Like every human being I have up and d=wn moments and you should accept this. I am always thankful and greatful t= you and I think you are great but you can't always blame me for every=hing I do. I always feel when talking to you that I'm walking on glass=and that I should be carefull to every single word I say.... This doesn^l=t make me feel comfortable. Instead of trying to understand things by tal=ing about the problem you just interupt the conversation without giving an= explanation. I understand that you have more power, doesn't mean you =ave to act like this with me.
