Thanks boss.

I will adjust the scope of work to include your =uggestions.

On another note, in regards to the phone system, I spoke with Dean =ennet, an associate with Innovative. He confirmed my suggestion about =xpanding the system to accommodate more extensions. I also mentioned to =im about the problem with line 1 on the kitchen extension since he was =he one who resolved the issue when Terrence was troubleshooting our =hones in the past.

I would like to request permission from Innovative to have Mr. Dennet =pecifically assigned to us to resolve the current problem. =nnovative charges \$85 per hour. May I contact them and set a =ate?

Regards

JRuan
